Report regarding Graham Kennedy's meeting ?(representing Mark Fryer – leader of CCC) Discussed basic lack of support here for tourism, dependence on Allonby precept for all tourist provision, Facilities provided elsewhere but for whatever reasons – not here. He committed to support us in finding pots of money we can bid for and with practical help in completing bids. Especially with regard to pay doors for the toilets. Graham is awaiting the announcement of a new fund and will contact us when this becomes available.

We need to send follow-up emails to our MP checking on the progress of his enquiries on our behalf.

K.T added his support and hopes to help us by channelling some of his allowance to this Parish to help improve drains etc.

Andrew Sim to cut top end of the village asap.
